PROJECT GALLERY

# Insulated Applications

Austral insulated  
panel ensures a  
constant thermal  
environment  
in all seasons

Laminated insulated panel is an obvious  
choice for Warehousing and Logistics.  
Broad span structures are easily achieved,  
with big savings on construction and  
long term running costs.

The demand for effective  
insulation is not restricted to  
commercial business . . .

we look after everyone
